COCOA.

Mrs. Joe Smith is enjoying the breeze that blow across Lake Helen.

A merry quartet enjoyed a moonlight spin along the boulevard with Mr. Vaille's automobile on Friday night last.

Wedding bells, oh, wedding bells! great joy their merry ringing tell. We hear that one of Cocoa's gallants will soon be speeding away to the blue grass country and that when he returns he will not be alone.

Misses Edna Travis and Evelyn Travis, niece and daughter of Col. S. F. Travis, left on Wednesday for Virginia, the home of the former. Miss Evelyn will spend the summer months with her uncle's family in the old Dominion state.

Mr. C. H. Hibbs shipped Mr. Charles Vuille's automobile to him in Huntington, Pa., on Monday. It has been on the platform at Rockledge station in charge of Mr. Hibbs, awaiting the arrival of repairs, since Mr. Vuille's departure. That the vehicle was bowled along the boulevard was not with Mr. Hibbs' knowledge or consent.

The campers-by-the-sea returned from their outing Saturday reporting a fine time, plenty of turtle and eggs. The boys turned three turtle in one night, butchered one and turned the others again and saw them depart into the briny deep and disappear. The shore was dearth of shells so the spoils along this line were meager, but the moonlight was superb. They returned rested, refreshed, invigorated and unburned.

The F. E. C. R'y company has purchased the property lately acquired by G. S. Hardee of Miss A. M. Wood, known as Prospect House. Just opposite its new freight depot on King street and will remove the buildings and prepare the grounds for freight traffic and approaches. This gives much better accommodation for patrons. The F. E. C. R'y company recognizes the importance of Cocoa as a freight station and will give its people the best possible.

We notice the "left out" of the report of the Cocoa correspondent concerning the baseball game last week. We did not witness the game, so suppose we must have been greatly in error as was our informer, but when the whole Cocoa contingent, from the "rooters" to the ladies, gave the same verdict we supposed it must have been somewhere near correct. Titusville has since challenged Cocoa team for a game for one hundred dollars. The Cocoa hundred dollars is in hand. The game will be played strictly according to rules, no cutting off corners, no outside players, etc. This means that Otis Pellicier, the "Daytona mascot," is barred out by their own ruling.

Tax on Babies.

Extreme hot weather is a great tax upon the digestive power of babies; when puny and feeble they should be given a few doses of White's Cream Vermifuge, the children's tonic. It will stimulate and facilitate the digestion of their food, so that they soon become strong, healthy and active. Sold by Red Cross Pharmacy and Eau Gallie Pharmacy.

ROCKLEDGE.

No services at chapel on last Sunday evening.

Mrs. M. C. Salmon has the thanks of ye scribe for some delicious cantaloupes.

Mr. Rouse, whose wife committed suicide on last Sunday, has broken up his home here and left on Thursday for Oviedo, Fla.

A number of trees are putting forth orange bloom, not in any great quantity, but enough to make a taste of late fruit next summer.

Miss Hazel Stilling and Mrs. Wilson sang a duet at prayer meeting Wednesday entitled "Saved by Grace." Miss Alliene Wilson presided at the organ.

Mrs. C. H. Hibbs, Misses Hazel Stilling and Alliene Wilson, through the kind-

ness of Mr. O. K. Key, visited Miss Iva Dyal, at Sharps, on Thursday.

A number of young people gathered on the Hotel Indian River pavilion to enjoy the moonlight the other evening and whiled away the time with drop the handkerchief and other games.

Mrs. O'Brien, of Titusville, who was in Rockledge not long since looking at some lots on the new avenue, we understand will purchase nine of these lots for friends who will build cottages upon them soon. The new Douglas avenue will be as attractive as Barton avenue.

Mr. E. J. Tarpley, Mr. Lockhart's genial clerk, was married on Tuesday of last week, June 14th, to Miss Josephine Smith, at her home in Fort Payne, Ala. The young couple will visit Mr. Tarpley's old home at Dublin, Ga., and other places and will arrive in Rockledge in about another two weeks. Mr. Tarpley has prepared rooms in Palm cottage in which to house his bride.

The Cocoa News was in error when it said that "Mr. and Mrs. C. W. Williford gave a pleasant little hop at the Plaza on Monday night." There were a few friends, six or eight, that dropped in for a call upon Mr. and Mrs. Williford as they were out for a moonlight stroll. After an hour's converse the piano was opened and a little music enjoyed. Mrs. Williford played one waltz and three or four of the party whirled around the dining room floor a few times and that was the extent of the hop. The callers arrived about 8 o'clock and good nights were said at 9:30 p. m.

The awful tragedy enacted last Sunday stirred the community to deepest sympathy and caused consternation when the report came that Mrs. J. R. Rouse had fatally shot herself that morning. Mr. Rouse and little son had gone out into a field for watermelons and when they returned found her dead with two revolver wounds, one in the side and one in the temple, sitting by the window with the revolver in her hand plainly showing that she had taken her own life. The cause is a mystery, save that she was in poor health. The coroner was summoned and the verdict of suicide given. The funeral took place on Sunday afternoon at 2 o'clock conducted by Rev. W. E. Hall and interment took place in Cocoa cemetery. She leaves a husband and little son six years of age and was, herself, about 24 years of age. The sympathy of the entire community goes out to the bereft family.

Mr. J. J. White has received his commission as postmaster for Rockledge post-office, vice J. L. Wilson, resigned. Mr. White will make an acceptable postmaster to the people, we are sure. Mr. White purchases the building and fixtures as they stand and will take charge on July 1st, the beginning of the fiscal year. On retiring Mr. Wilson feels that he has done one good thing for Rockledge during his administration and that is that he has given the people a neat little office with up-to-date facilities, instead of the cramped little "coop" he found, and this has been done with great sacrifice to his own personal strength and means and he retires with the best kindly wishes to all the patrons of the office and a return of hearty thanks to all who lent him encouragement and help in any way during his incumbency, and bespeaks for Mr. White the same kindly support and comfort.

Mrs. S. Lindsay, of Fort William, Ontario, Canada, who has suffered quite a number of years from dyspepsia and great pains in the stomach, was advised by her druggist to take Chamberlain's Stomach and Liver Tablets. She did so and says: "I find that they have done me a great deal of good. I have never had any suffering since I began using them." If troubled with dyspepsia or indigestion why not take these tablets, get well and stay well? For sale by Red Cross Pharmacy.

Alabastine Your Walls

ALABASTINE produces exquisitely beautiful effects on walls and ceilings. Easy to apply, simply mix with cold water. Better than Kalsomine, Paint or Wall Paper. It is not a Kalsomine, it is a sanitary, permanent, cement coating, which hardens on the walls, destroying disease germs and vermin, never rubbing or scaling. Kalsomines mixed with hot or cold water soon rub and scale off, spoiling walls, clothing and furniture. They contain glue, which decays and nourishes the germs of deadly disease. For sale by
